We would additionally refer you to Part 1 Section 5

Trust this helps although do not hesitate to contact me should you have any question

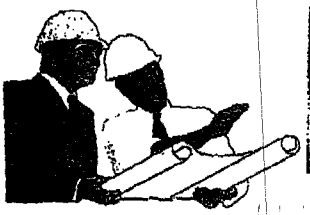

CROWN BUILDING Graeme Renton

5TH November 1996

We considered this carefully against Part 1 Sections 3-4-5 and of the Building Act 1984 and am of the opinion that works detailed are exempt due to their category ... building of statutory undertakers 1.4 and "exempt)"

Subject: Building Regs & BDC Crown Exemption

Remarks:

Crown exemption is granted under the Building Act 1984. DoE have assured MOD that if and when Section 44 of the above act is implemented in the "near future" it will NOT impose the need for a Crown Submission. However any breach of the Regulations will be a clear legal offence.

R M Suttill
