Please let us have your comments by 5th February 2009

Please tick the appropriate box(es) below and using the comments box below, state clearly any reasons for your choices and include reference to policies within the South Holland Local Plan 2006

- ☒ I have no observations to make on this application
- ☐ I have no concerns as long as the following matters are satisfactorily resolved
- ☐ I have the following comments to make on this application
- ☐ I consider the following issue(s) will need to be resolved before this application can be approved. (Members of the Development Control Committee will need to be cautious when considering this option)

I would like this application to be determined at Development Control Committee for the following reasons;

- ☐ Large scale and/or significant development which merits public debate due to the following impact(s) the proposal will have on my ward
- ☐ Development of novel or contentious nature which will have the following impact(s) on my ward
- ☐ Development of a type and/or nature such that it will have the following impacts on either my ward, on people, on dwellings or on businesses adjacent to the proposal

I wish to be notified if this application goes to Chairman's Panel. (Please tick) ☐

I have* / have not* discussed these issues with the case officer. (*delete as applicable).

Signed:

Cllr S F Williams
