Application H16-0051-19
Location Land adjacent : 19a Fen End Lane Spalding PE12 6AD
Proposal Conversion of commercial building into residential bungalow

Name Sue Armour
Address Environmental Protection Officer SHDC

Date Submitted 28-01-19
For/Against Comments

I have emailed a copy of the screening assessment form, and request that the applicant fills this in, detailing the previous use of the site prior to being a pet shop. development occurred in the 1970's as far as I can tell. Even though this is a conversion, and there will be very little garden area, a bit more information is required prior to determination.
