

LOCATION PLAN 1: 2500

SITE PLAN 1:500

Do not scale from this drawing

This drawing is copyright and may not be altered, traced, photographed or used for any purpose other than that for which it is issued without permission from John D Lynch Partnership.

The details and information shown hereon relating to existing underground drains, main services, cables, etc., and existing structural details, are as obtained by normal survey observation methods, by reference to available records and by enquiry at Local Authorities and Public Service Undertakers.

Although all reasonable effort has been made, no guarantee can be made or given for the completeness or accuracy of this information.

Specific care should be taken when excavating and request should be made for positive information relating to special circumstances.

The General Contractor is to check all dimensions on site and report discrepancies to the Architect

All details shown in this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architects so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken.
