Amendment Submitted: Change position of projecting sign as part of alterati (Drawing No. 1375/04/A)

Dear Sir/Madam

12-APR-96

TOWN AND COUNTRY PLANNING ACT 1990
AMENDMENT TO PROPOSED DEVELOPMENT

Having considered the above details, I have to advise you that the Authority is not able to consider the revised proposal as an amendment because the changes are too significant or certain details have changed so that amending the application is not appropriate. A fresh application for planning permission should therefore be submitted if you wish to pursue the revised scheme.

This does not imply that permission will or will not be forthcoming in respect of such a revised application, and you are reminded that approval under the Building Regulations may also be required. You are also reminded that the resubmitted planning application may require a further fee, depending on the extent of the changes and when it is submitted. Further advice can be obtained from this office.

~~Further plan to follow~~

Reason for refusal please

Yours faithfully,

Director of Housing and Planning Services

Dear Bob

A T MAYS, 14 SHEEPMARKET, SPALDING

Thank you for your correspondence of 24th January 1996 with respect to the shop front proposals for Spalding, the contents of which are duly noted.

I can confirm that part of our new corporate identity is to align our projecting signs with the main fascia sign and I enclose a photograph of our Kilmarnock branch which clearly shows the image which we are trying to achieve. Please, therefore, submit in accordance with the signage at Kilmarnock as I would prefer to maintain a corporate identity nationally rather than have planning officers break up the sign image which we are trying to achieve.

If you wish to discuss further, please contact me at your earliest convenience.

Yours sincerely

KEVIN BROWN
