Dear Sir,

Proposed new shop front - 16 New Road, Spalding for Mr C.Herd.

I enclose applications for Full Planning Consent and Conservation Area Consent for the above, together with 7 no survey drawings, 7 no. proposed details and 7 no. site identification plans.

My client has been forced to shut down his business due to the fact that his large glazed area to his premises has been shattered yet again - the fourth time and his insurers refuse to assist him unless the front can be made more secure. The frontage is now boarded up as the remainder of the glazing is a danger to the public.

Naturally my client is anxious to resume his business as soon as he is able to form a shop front which is acceptable to his insurers and, of course, to yourselves. We are taking the opportunity to improve the proportions and lower the fascia in order to reveal the whole of the second storey windows. Also, the projected glazing will be set back to line in with the brick frontage - the remaining apron left will be paved for display.

It is my clients intention to alter the adjoining unit no. 15, at a later stage to blend in as indicated on the details. Meanwhile my client hopes you will be able to process this application as quickly as possible in order to assist him in his business. In the meantime he will proceed with the demolition of the unsafe shop front.

Yours faithfully,

M.E,Cresswell.
