Dear Sir/Madam

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

NOTICE THAT CONSENT IS NOT REQUIRED

It appears that by virtue of the above Act, the proposal is one which does not in my opinion involve work requiring listed building consent or conservation area consent.

No further action will therefore be taken on your application.

You should be aware however that planning permission and approval under the Building Regulations, which are separate forms of approval, may still be required.

Yours faithfully

Director of Housing and Planning Services
