Pic 3: Position of storage area highlighted in orange

(NOT TO SCALE)

Refuse Storage Design as follows:

- Four 240 ltr household wheelie bins (dark grey), enclosed within two double wheelie bin enclosures.
- The two double enclosures will be sited immediately adjacent one another.
- Enclosures are front- and top- opening to allow for ease of access and removal.
- *Each double enclosure measures:*
  Height: 129cm at highest point (119cm at lowest point)
  Width: 144cm
  Depth: 85cm
- Material: Sustainable European Forest Stewardship Council (FSC) treated pine
