Proposal	Proposed first floor with 3 additional units

Name	Pedals c/o R J Smith
Address	Pedals 19 Ladywood Road Spalding PE11 2DA

Date Submitted	18-03-16
For/Against	Comments

It is good to see that stands for 6 cycles are proposed and that the area for them is shown on the site plan. If planning permission is granted please impose a condition requiring full details of the cycle stands so that the Council can be sure that the area reserved for this use is large enough and that the cycles can be kept securely and protected from adverse weather. Also another condition requiring those details to be approved before the development starts, implemented before the dwellings are occupied and retained thereafter.
