Proposed parking spaces number 8 Green Lane, Spalding, Lincolnshire

Following your email we confirm the following regarding the spaces, there is currently one parking space between 4 dwellings and roadside spaces are at a premium, a there is one space which is allocated on a first come first served basis it is difficult for residents particularly returning with shopping some with limited mobility.
The project seeks to provide each resident with a space. In line with the governments ambitions a charger a charging point is also proposed to enable electric vehicles to be used.
These are private spaces solely for the use of residents of numbers 2, 4, 6, and 8.

Yours faithfully
