Thank you for consulting us on this application.

Having reviewed the application documents and the updated available Historic Environment information for this application, the proposal is unlikely to have an impact on significant archaeological remains. Consequently, no further archaeological input is necessary for this application. It is not necessary to consult us on this application again, unless there are material changes to the proposals. However, if you would like advice from us, please contact us to explain your request.

Finally, given the significance of the Listed Building and its location within the Spalding Town Centre Conservation Area, the SHDC Conservation Officer must be consulted prior to any decision being made.
