(i) porch
(ii) conservatory.

Reason: Further detail needs to be submitted in support of the application to address the particular interest of the architectural and historic integrity of the Listed Building.
This Condition is imposed in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

4 Details of the secondary glazing units to be submitted to and agreed in writing by the Local Planning Authority prior to the commencement of the development.

Reason: Further detail needs to be submitted in support of the application to address the particular interest of the architectural and historic integrity of the Listed Building.
This Condition is imposed in accordance with national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

5 Before the commencement of the development hereby permitted a schedule of external materials of construction of buildings and hard surfaced areas shall be submitted to and approved in writing by the Local Planning Authority. Samples shall be provided as may be required by the Local Planning Authority of the materials in the schedule and the use of such samples shall be approved in writing by the Local Planning Authority. The development shall be constructed in accordance with the schedule and samples so approved.

Reason: Further detail needs to be submitted in support of the application to ensure that the Local Planning Authority retains control over the external materials of construction of the development in the interest of the appearance of the development, and the character and historic integrity of the listed building.
This Condition is imposed in accordance with Policy SG14 of the South Holland Local Plan 2006 and national guidance contained in Section 12 of the National Planning Policy Framework, 2012.

The Local Planning Authority has acted positively and proactively in determining this application having engaged with the Applicant at the pre-application stage, and by assessing the subsequent application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and by identifying matters of concern within the application and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant listed building consent for an acceptable proposal in as timely a manner as possible, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
