Dear Sir

Alterations to 9 Cathedral Drive, Spalding

I refer to your amended plans received on 19 April 1995.

I have revalidated the application with the description "Extension to living room, alteration to change flat roof to pitched and car port". The garage owing to you moving it over 5 metres away from the dwelling is now permitted development and, therefore, I have not included it in the description.

I have, however, incorporated your drawing, reference JWM/CATDR/04C, into the current planning application so that the position of the garage is quite clear. However, the elevational details which you have submitted will be ignored for this application.

Yours faithfully

N R Midlen
