Dear Sir

Erect Conservatory At The Chappel Rehabilitation Centre, Pinchbeck Road, Spalding.

I write to advise that I have been informed by the Council's Building Inspector that the work to be carried out at this site has begun.

He informs me that the conservatory has been set back further into the recess by approximately two metres. I therefore advise that there seems to be a discrepancy between the approved plan and the work carried out on site and would be grateful if you would provide me with an amended plan, within the next 28 days, so that I can keep my records up to date. I enclose the necessary amendment form.
