Aspire Health & Wellbeing : Revised Signage Proposals

Stage 2 : **Option 2** : 24 March 2011

Elevation A

Painted woodwork, change colour from White to a Brown which complements the proposed new Brown facia panels...

Window to carry solid opaque coloured vinyl for privacy reasons, so that patients cannot be seen from street... Privacy enhanced by the installation of either venetian blinds or some form of opaque fabric, hung inside the premises...

Elevation B

Overview of Current Signage:
27-29 The Crescent, Spalding, PE11 1AF

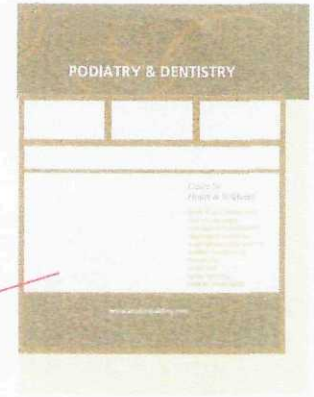

Elevation C

Window to carry solid opaque coloured vinyl for privacy reasons, so that patients cannot be seen from street... Privacy enhanced by the installation of either venetian blinds or some form of opaque fabric, hung inside the premises...

Colour denotes existing tiled surface...

Elevation D

Window to carry frosted vinyls with 'swirl' motifs for privacy reasons, so that patients cannot be seen from street... Privacy enhanced by the installation of either venetian blinds or some form of opaque fabric, hung inside the premises...
