For the attention of P. Udy Esq

Dear Sirs,

St. Norberts Church, St. Thomas's Road, Spalding, Lincolnshire

Please find enclosed John Roberts Architects Limited Drawings Nos. 5781L/16D, 17B and 18B which show the proposed elevations to the aforementioned development. You will note that the roof covering shown to the Priory and Parish Rooms is Redland Cambrian Slate. This is proposed as an amendment to the Planning Permission which shows profiled metal sheet roofing laid at a minimum pitch. The revised proposals show the roof pitch increased accordingly and the relocation of one window from the North elevation of the Priory to enable the increased pitch to the adjacent garage.

We would suggest that these revised proposals help to integrated the domestic scale buildings with the surrounding properties.

Trusting the above and enclosed is satisfactory, we look forward to receiving your confirmation of acceptance in due course.

Yours faithfully,

John Roberts Architects Limited
