Scales
1:50 & 1:100 (Unless Otherwise Stated)

DO NOT SCALE FROM THIS DRAWING

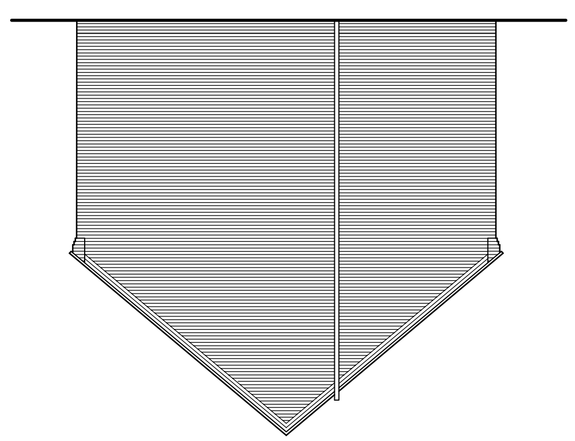

This drawing is copyright and may not be stored, copied, photographed or used for any other purpose unless there has been written consent obtained from the author. No responsibility can be accepted for unauthorised alterations to the structure. All details shown on this drawing including dimensions are based upon visible site conditions related to the area. No responsibility can be accepted for abnormal ground conditions which may be discovered during construction unless reported to the Architect so that detailed amendments may be considered. Site soil surveys are recommended in respect of foundations to ascertain specific site conditions before foundation work is implemented. This drawing is limited to the extent of information contained and does not purport to contain a full specification of any works. It is strictly for the purpose of obtaining Planning / Building Regulation approval, tendering purposes. Any variations to contract etc./ alterations to any representations thereof, it is the client's or their appointed agents responsibility to contact the Architect for his approval before any work is carried out. Any discrepancies between scaled and figured dimensions are to be reported to the Architect. Dimensions to be taken from figured dimensions only. Do not scale from drawing. Contractors must check all dimensions on site before any work is put in hand and any discrepancies are to be reported to the Architect before any work is put in hand. Contractors must check all dimensions on site before any work is put in hand and any discrepancies are to be reported to the Architect before any work is put in hand. Contractors must check all dimensions on site before any work is put in hand and any discrepancies are to be reported to the Architect before any work is put in hand.
