Ref. A/1

Dear Sirs

APPLICATION NO: H16/0254/95 -
BARCLAYS BANK PLC, SPALDING

... Further to my recent telephone conversation I now enclose our request for planning amendment to the above application, which was approved on 15 June 1995.

As explained, in order to simplify window cleaning operations, we would like to change from alternate opening lights to all opening lights to the first and second floor windows proposed. Details of the framing system have already been submitted to you on Contano Aluminium's drawing no EO359/1, dated April 1995.

... I have enclosed a copy of the elevational drawing, indicating the extent of opening lights required.

I look forward to hearing from you on the above, at your earliest convenience.

Yours faithfully

J M. Browne
