David

We are currently changing the planning operations back to the South Holland IDB office at Marsh Reeves, Foxes Lowe road, Holbeach, PE12 7PA. George Dann will no longer be dealing with any of the planning issues/concerns with the South Holland IDB myself and Karl Vines will be looking after these matters, but George will still be present at the King's Lynn office to assist in any outstanding planning applications that's he has been dealing with.

We have notice the planning application for H16-0268-11 required comments by 17th May we have not been able to discuss this application with George as he is currently absent from work. We would like to add that we have concerns about the attenuation pond and the outlet of the pond which we presume will be entering the Boards drain. We would like more information on this and would like to remind Jerone Properties that they will need consent from the Board to discharge any water in the Boards watercourse. Again without speaking to George I do not know if they have already done so.

Regards

Dom
