5. Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including (from 1 August 2020) details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Change of use from A1 Retail to residential double garage.

Are any associated building works or other operations required to make this change? ○ Yes ◉ No
Note that such works are restricted to those reasonably necessary to convert the building for use as a dwellinghouse (including partial demolition).

What will be the net increase in dwellinghouses?
This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

0

Please provide details of any transport and highways impacts and how these will be mitigated:

Low level wall on site, to front of building, is to be removed to allow vehicles to pull from and on to the main road in a forward gear.

Please provide details of any contamination risks and how these will be mitigated:

N/A

Please provide details of any flooding risks and how these will be mitigated.
A flood risk assessment should accompany the application where the site:
- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online.
Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Double garage will be at no risk from a floor so flood risk matters do not apply.

Please provide details of the impact on the adequate provision of services based on the loss of the building's current use.
For example:
- Would there be a reasonable prospect of the building being used under it's current use class going forward?
- Would a unique shop, takeaway, launderette, professional or financial service be lost from the area if the use is changed?

The retail shop was closed in September 2019 due to it no longer being viable with that use.

Where the building is located in a key shopping area, please provide details of any undesirable impact on the sustainability of that shopping area:

N/A
