Hi Polly,

Further to the submission of application ref. H16-0287-19 for the discharge of conditions 6, 7, 8, 11 & 12.

Please find attached a revised remediation strategy and verification plan produced in support of condition 11. This has been approved by environmental health and I have attached a letter confirming this. As such, the condition can be discharged accordingly.

Lidl are keen to have all the conditions discharged as soon as possible, if you could review the information submitted and let me know if there is any reason why these cannot be discharged at the earliest convenience, I would be extremely grateful.

Please could you also acknowledge receipt of this email.

Many thanks,

Joe
