Scales
AS INDICATED

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, reused, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing indicating foundations are based upon typical soils considered to be suitable for the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulations approval. This drawing must not it is used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client's or their appointed agents responsibility to control workmanship, substitution of materials, authorising to specification variations to contract etc.
All materials to be new unless noted otherwise. All workmanship and materials etc. to be used fitted and installed etc. in strict accordance with all manufacturers instructions and relevant codes of practice. Materials shall conform to appropriate British standard specification or BBA certificates or European state equivalent. The Contractor / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the owner need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
