Location : 34 London Road Spalding

South Holland District Council hereby give notice that CONSENT HAS BEEN GRANTED for the works in accordance with the application and plans submitted, subject to the following condition(s):

1 The works must be begun not later than the expiration of five years beginning with the date of this consent.

Reason: As required by Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

2 All areas of new wall and making good of the existing wall shall be carried out in materials reclaimed from the demolished part of the original wall, and brick coursing and pointing shall match the existing wall.

Reason: To safeguard the character/appearance of the Listed Building.

3 Prior to commencement of development the applicants shall submit to and agree with the Local Planning Authority details of the external finish to be used for the proposed gates.

Reason: To safeguard the character/appearance of the Listed Building.

If Listed Building Consent has been granted for works which include whole or partial demolition of a listed building, your attention is drawn to Section 8 of the Planning (Listed Buildings and Conservation Areas) Act 1990, the effect of which is that demolition may not lawfully be undertaken (despite the grant of consent by the Local Planning Authority), until notice has been given to the Royal Commission on Historic Monuments, Fortress House, 23 Savile Row, London W1X 1AB, and the Commission has either been given reasonable access to the building for at least one month following the grant of consent and before the commencement of the works, for the purpose of recording it, or has stated in writing that it has completed its record of the building or that it does not wish to record it.
