This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including boundaries are limited upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect on that discovery. Any drawings or details issued by the Architect relating to any part of the works are incomplete in isolation unless all relevant drawings and documents are read in conjunction. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, openness to contract etc.All materials to be new unless otherwise stated and all components and assemblys etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA, certificate or Eurocode trade equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and advise all sequences necessary to achieve compliance with Health and Safety legislation for Building Sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction (Design and Management) Regulations as a notifiable project then in accordance with these regulations they must appoint all Principle Contractors with sufficient details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the site / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbore boundaries.
