Details of the pre-application advice received

Discussions regarding the existing use class of the building and the proposed use classifications following the submission of H16-0263-24. Previous planning submissions were also shared which were not available via the portal. As a result of the discussions it was agreed to withdraw H16-0263-24.

It was noted that most of the structure shall be with a use as per the current building and previous planning permissions, except for the left hand extension, which is to change from storage to Sales to suit the proposed use in the application. Whilst an application could be submitted solely for the left hand part of the building, it was agreed that this application would be made for the whole building, but with due consideration given by the LPA to the current existing and unchanged building usages. The attached Planning Statement clarifies further.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
