TOWN AND COUNTRY PLANNING ACT 1990
PRIOR NOTIFICATION

Reference: H16-0324-21 **Date of Decision:** 10th May 2021

Applicant: Mr T Burrows
8-9 Red Lion Street
Stamford
Lincs
PE9 1PA

Location: South Drove North Spalding

Description: Change of Use of Barn to Residential - Re-submission of H16-0040-21

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development shall be completed within a period of 3 years from the date of this decision.

Reason: As required by the Town and Country Planning (General Permitted Development) Order 2015 (or any Order or Statutory Instrument revoking and re-enacting that Order).

2 The development hereby permitted shall be carried out in accordance with the following approved plans:
3734-20 01B
3734-20 02A
3734-20 03B
GeoEnvironmental Desk Study Report - Phase 1 (prepared by Goldfinch Environmental Limited, dated March 2021)
Planning Statement (Revision A, March 2021)
Structural Appraisal (prepared by RTK Stamford, undated)
Flood Risk Assessment (prepared by Ellingham Consulting Ltd, dated January 2021)

Reason: For the avoidance of doubt and in the interests of proper planning.

3 Prior to practical completion of the development the approval of the Local Planning Authority is required to a scheme of landscaping and tree planting for the site indicating, inter alia, the number, species, heights on planting and positions of all the trees, together with details of post-planting maintenance. Such scheme as is approved by the Local Planning Authority shall be carried out and completed in its entirety no later than the first planting season following practical completion of the development. All trees, shrubs and bushes shall be maintained by the owner or owners of the land on which they are situated for the period of five years beginning with the date of completion of the scheme and during that period all losses shall be made good as and when necessary.

Reason: To ensure that the development is adequately landscaped, in the interests of its visual amenity and that of the area in which it is set.
This condition is imposed in accordance with Class Q of The Town & Country Planning (General Permitted Development) Order 2015.

4 Prior to its installation, details of the proposed boundary treatments, including a schedule of fencing levels, heights and materials, and details of the size and species of any hedging, shall be submitted to and approved in writing by the Local Planning Authority, and the details so approved shall be implemented in full before the development is first brought into use and retained thereafter.

Note: Where levels are raised above existing ground levels, the submission shall be supported by cross-sectional drawings showing the relationship with adjoining uses and buildings to enable the Local Planning Authority to be satisfied that sufficient mitigation measures will be in place.

Reason: In the interests of the character and appearance of the development and the amenity of the area in which it is set including the amenity of nearby occupiers.
This condition is imposed in accordance with Class Q of The Town & Country Planning (General Permitted Development) Order 2015.

5 Prior to practical completion of the building, full details of the proposed means of surface water disposal shall be submitted to and approved in writing by the Local Planning Authority and the details so approved shall be implemented in full before there are any flows into the receiving system(s).

Reason: To ensure that the site is adequately drained, to avoid pollution, and to prevent increased risk of flooding.
This condition is imposed in accordance with Class Q of The Town & Country Planning (General Permitted Development) Order 2015.

6 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment (prepared by Ellingham Consulting Ltd, dated January 2021) forming part of this planning application, unless otherwise agreed in writing by the Local Planning Authority, in particular the following measures shall be fully implemented before the property is first occupied:

- The finished floor level shall be set at 3.25m OD with 0.3m of flood resilient construction above finished floor level

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This condition is imposed in accordance with Class Q of The Town & Country Planning (General Permitted Development) Order 2015.

Notes:

The applicant is reminded that it is an offence under the wildlife and Countryside Act, 1981 (as amended) to kill, injure, or take (handle) any protected species occupying a place of shelter or protection and also to take, damage or destroy the nest of any wild bird while that nest is in use or being built. If evidence of bats is found before or whilst the work is carried out you are advised to contact Natural England at their Lincoln office (telephone 03000 603900).

In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported immediately to Environmental Health. An investigation and risk assessment must be undertaken in accordance with details to be agreed with Environmental Health. Where remediation is necessary, a remediation scheme must be submitted to and approved in writing by Environmental Health. Following completion of measures identified in the approved remediation scheme a verification report shall be submitted to and approved by Environmental Health.

The permitted development requires the formation of a new/amended vehicular access. These works will require approval from the Highway Authority in accordance with Section 184 of the Highways Act. The works should be constructed in accordance with the Authority's specification that is current at the time of construction. Relocation of existing apparatus, underground services or street furniture will be the responsibility of the applicant, prior to application. For approval and specification details, please contact vehiclecrossings@lincolnshire.gov.uk

Please contact the Lincolnshire County Council Streetworks and Permitting Team on 01522 782070 to discuss any proposed statutory utility connections and any other works which will be required within the public highway in association with the development permitted under this Consent. This will enable Lincolnshire County Council to assist in the coordination and timings of these works.

Phil Norman
Planning and Building Control Manager
South Holland District Council

BUILDING REGULATIONS:

This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
