Dear Sir

further to our discussion last week I am writing to confirm my intentions for the front Sign on 5A Horning lane.

the frame will be of 2" x 2" P.S.E. with an O.G. mould on.

the colour will be the same as the windows yet to be nominated by the local authority.

regarding the rear Sign. there is to be a change in the design so the lighting will be discussed when the new proposal is put in.

yours sincerely

If you consider this acceptable I would be grateful if you would provide details of what you consider to be [illegible] and the colour.
