TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H16-0332-25 **Date of Decision:** 28th July 2025

Applicant: Mr & Mrs P Ingleby
14 Halmer Paddock
Spalding
Lincolnshire
PE11 2HF

Location: 14 Halmer Paddock Spalding Lincolnshire

Description: Proposed extensions and alterations to dwelling and outbuilding

South Holland District Council, in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended), hereby give notice that permission has been REFUSED (or equivalent) for the development referred to above, for the following reason(s):

1 The proposed extensions are considered to fail to integrate with the character of the host property or the wider area. The proportions of the extensions fail to respect the existing proportions of the dwelling, thereby appearing overly large and intrusive. The materials and overall design philosophy fail to respect those of the host dwelling, resulting in a harmful juxtaposition. Given the prominence of the plot, and its corner location, the impacts identified would be exacerbated, increasingly so given its projection further beyond the established linear form along Halmer Paddock. Accordingly, the proposal is considered to conflict with Paragraph 3.3.3 of the South East Lincolnshire Local Plan, 2019, as well as Policies 2 and 3, which requires extensions to be "designed to respect and relate to the original building and integrates sensitively with the character and appearance of the surrounding area".

The proposal is therefore considered to be contrary to Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019, in design terms, as well as Section 12 of the National Planning Policy Framework, December 2024.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. Furthermore, matters of concern with the application have been identified and discussed with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory solution and due to the harm, which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
