Flood Risk Assessment

The address for the site is The Temple of Remembrance, Spalding War Memorial, Ayscoughfee Hall Museum and Gardens, Church Gate, Spalding, Lincolnshire, PE11 2RA and referring to the EA website on flood risk this is identified as being within flood zone 3. The map below confirms this.

© Environment Agency copyright and / or database rights 2024. All rights reserved. © Crown Copyright and database right 2024. Ordnance Survey licence number AC0000807064.

The application is limited to conservation works to the existing Spalding War Memorial.

Given the foregoing, the vulnerability class of the site does not change from what already exists, and the structure does not include any sleeping accommodation. On this basis no significant change is considered to have occurred that would be impacted upon by flood risk.

A more detailed statement is therefore not considered necessary for this application.
