Dear Ms Doyle,

I think an email sent by Jon Sharpe earlier today may have confused matters- I'm not dealing with Mr Fidler's applications whilst he is on leave, but will make sure that this information is registered in order that he can consider it when he returns from leave on 22/08 (as I have done with the Highway Authority's comments regarding the Travel Plan).

Dear Mr Fidler,

11/08/2011

Following a recent review by Sainsbury's some revisions have been made to the landscaping scheme.

We previously submitted a detailed planting plan as part of the discharge of condition application which is yet to be determined. Attached is a revised drawing from Ground Control (Reference: GC.50675.001 Rev A) to replace that previously submitted. This drawing has been updated following alterations to the planting scheme along the car park end bays in front of the store entrance and along the relocated footpath from Swan Road back onto Sainsbury's land.

Please advise if there are any issues in replacing this drawing.

Many thanks,

Yvonne Doyle
