Drawing
SITE & LOCATION PLANS.

Job Ref.	Drawing No.
1112-05	01
Date: FEB '05	Drawn: GRM.

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing indicating foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal specifications which may be discovered during excavation or when new plans to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before tender or work is commenced. This drawing is limited in the amount of information furnished and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing as set out is not used as a contract document agree. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, submission of materials, acceptance to specification, variations in contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate or European state equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Pre-commencement Planning Supervisor will be required. This works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
