TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H16-0380-23 **Date of Decision:** 8th August 2023

Applicant: Ms I Hall
6 Evergreen Close
Spalding
Lincolnshire
PE12 6BF

Location: 6 Evergreen Close Spalding

Description: Proposed day room and reposition of approved mobile home

South Holland District Council hereby give notice that permission has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans and/or documents:

Application Form
167/PL01/A
167/PL02/A
Flood Risk Assessment - ECL1067-1, by Ellingham Consulting Ltd, dated June 2023
Design and Access Statement

Reason: For the avoidance of doubt and in the interests of proper planning.

3 The materials of the external surfaces (brickwork, finish, roof tiles and windows) of the development hereby permitted shall be carried out in accordance with those detailed within the application form and approved plans.

Reason: In the interests of the architectural and visual integrity of the overall development and the visual amenity of the area in which it is set.
This Condition is imposed in accordance with Policies 2 and 3 of the South East Lincolnshire Local Plan, 2019.

4 Occupation of the development hereby permitted shall be limited to a person or persons who meet the definition of a gypsy or traveller as defined by national guidance set out in 'Planning policy for traveller sites'(August 2015) (or as may be amended) and any resident dependants.

Reason: Permission has only been granted for this development in the open countryside on the basis of an identified need for gypsy/traveller pitches. Occupation of this site by non-gypsy/traveller individuals or families would be contrary to established national and local policies of rural restraint.
This Condition is imposed in accordance with Policies 1, 2 and 20 of the South East Lincolnshire Local Plan, March 2019 which reflect national guidance contained in both the National Planning Policy Framework 2021 and 'Planning policy for traveller sites, August 2015'.

5 The day room building hereby permitted shall be and shall remain incidental to the use of the site known as Evergreen Close, shall not be sold or let off separately, and shall be used only by members of the family of the occupier of that dwelling for additional living space and shall not be used as sleeping accommodation at any time.

Reason: Use of the building as sleeping accommodation would be tantamount to the formation of a new dwelling in the open countryside which would be contrary to established national and local policies of rural restraint.
This Condition is imposed in accordance with Policies 1, 2 and 20 of the South East Lincolnshire Local Plan, March 2019 which reflect national guidance contained in both the National Planning Policy Framework 2021 and 'Planning policy for traveller sites, August 2015'.

6 Finished floor levels shall be set 0.5m above average ground levels in accordance with details to be submitted to and approved in writing by the Local Planning Authority or, in accordance with a flood risk assessment to be submitted to and approved in writing by the Local Planning Authority.

Note: Where levels are raised above existing ground levels, the submission shall be supported by cross-sectional drawings showing the relationship with adjoining uses and buildings to enable the Local Planning Authority to be satisfied that sufficient mitigation measures will be in place. This does not constitute final approval of detailed site levels.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding and to protect surrounding amenity.
This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the

DC_FINAL_DECISION - ODB:14

National Planning Policy Framework, 2021.

7 The development hereby permitted shall be carried out in accordance with the measures set out in the Flood Risk Assessment (ECL1067-1, by Ellingham Consulting Ltd, dated June 2023) forming part of this planning application, unless otherwise agreed in writing by the Local Planning Authority, in particular the following measures shall be fully implemented before the property is first occupied:

-The finished floor level shall be set no lower than 0.5metres above immediate surrounding ground level

Note: The above approved plan does not constitute final approval of detailed site levels or finished floor levels.

Reason: To ensure that the development does not increase the risk of flooding or be at risk of flooding.
This Condition is imposed in accordance with Policies 3 and 4 of the South East Lincolnshire Local Plan, 2019 and national guidance contained in Section 14 of the National Planning Policy Framework, 2021.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at http://planning.sholland.gov.uk/OcellaWeb/planningSearch

Your attention is drawn to the received letter from South Holland Internal Drainage Board. You are advised of the need to comply with the requirements of the Drainage Board, which are covered by their own Bye-laws. You are further advised that any future amendments to this application and/or compliance with Conditions must also respect those Bye-laws. Please contact the Drainage Board directly for further information.

Phil Norman
Head of Planning
South Holland District Council

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact

the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

https://www.gov.uk/appeal-householder-planning-decision

https://www.gov.uk/appeal-planning-decision

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
