3. Description of the Proposal

Please describe the proposed development including any change of use:

The proposal is to erect an extension 12,590 x 8,100 metres amounting to approximately 95m² almost doubling the area of the existing library. Externally a raised access will be located at the new external door. An existing Silver Birch Tree which encroaches into the new building is to be removed and remaining grass margins are to be paved. A circular shrubby area of 6m diameter will be created to the south end of the extension. The proposal is a straight forward extension of the existing library. The existing external wall to the library will be demolished forming one large open space. Internal circulation routes will be retained. Externally pedestrian routes will be retained.
