This and the attached drawings are the property of the author and are protected by copyright. All rights reserved. Unauthorised reproduction or use is prohibited. The drawings are prepared for the purpose of obtaining planning permission and building regulation approval for the specific project detailed in the drawings and are not to be used for any other purpose. The drawings are not to be used for the purposes of obtaining tenders or as the basis of a construction contract without checking and verification by the architect as to their accuracy and completeness. The drawings are prepared for the sole use of the client and may not be used or made available by the client to any other party for the extension or modification of the project or for any other project without the written permission of the author. Any such unauthorised use is at the client's own risk and the client will indemnify the author against all claims, costs, losses and expenses arising from any such unauthorised use. Any errors or discrepancies found in the drawings should be notified to the author before commencement of the work. Figured dimensions are to be taken in preference to scaled dimensions. Verify all dimensions on site before commencing any fabrication or shop drawings. Any discrepancies are to be notified to the author before work proceeds. The Contractor is responsible for the compliance of all the works with the Building Regulations and other relevant statutory provisions. All dimensions are in millimetres unless noted otherwise. Do not scale from drawings. Any discrepancies are to be notified to the author before work proceeds. Any variations are to be agreed with the author before work proceeds. Planning Approval does not constitute Building Regulations Approval. The Contractor is responsible for obtaining all necessary approvals and ensuring that the works comply with the Building Regulations. Any discrepancies are to be notified to the author before work proceeds. Any variations are to be agreed with the author before work proceeds. ANY APPROVED TAKE IT IS DONE SO AT THE CLIENTS OWN RISK.
