Dear Mr Roberts

**PLANNING APPLICATION NO: H16/0414/03  
PROPOSED CHALET BUNGALOW  
PLOT ADJACENT SOUTHFIELDS : CLAY LAKE : SPALDING  
MISS C AND MISS L DRURY**

Following our brief conversation the other day regarding the boundary planting and Sycamore tree at the above site, I am now able to comment as follows:

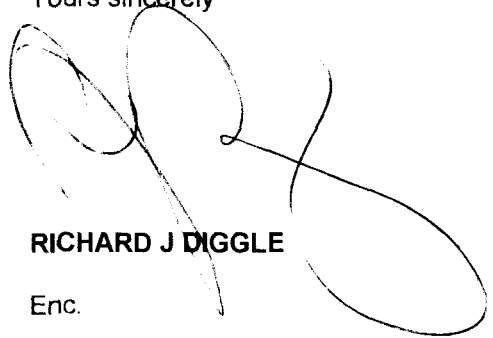

1. My clients have confirmed that they intend to retain the tree and hedge planting along the Eastern boundary.
2. I have surveyed the position of the Sycamore tree as best I can. Although the exact line of the boundary is not altogether clear until some of the land is cleared, the tree does appear to be almost on the boundary.

I have indicated this on my revised drawing No 388-01A, four copies of which are enclosed as an amendment to the application.

As you will note, by reducing the width of the Car Port to 5600mm and moving it to the opposite boundary, it appears to fit in fairly satisfactorily clear of the tree spread and roots.

I trust the application now meets with your approval. However, should you have any further queries, please do not hesitate to contact me.

Yours sincerely
