Notes

This layout represents the minimum, mandatory standards for Vauxhall's current corporate identity programme. Any changes must be discussed and agreed with the Retailer and Vauxhall. The position of all external signage needs to be installed as indicated on this drawing, subject to a signage survey carried out by approved signage manufacturer & installer. Any issues regarding installation and layout must be communicated to Vauxhall.

All signage elements are supplied by Vauxhall's approved signage manufacturer, Retailer to liaise directly with manufacturer for installation requirements.

All building and site finishes to comply with Vauxhall CI specifications.

Architectural plans referred to in order to produce this drawing may not have been up to date. As a result this drawing must be used for reference purposes only. Do not scale off this drawing, the architect or contractor appointed to complete works is responsible for checking all dimensions and querying any discrepancies.
