**General notes:**

1. Retain existing door and window frames and make good where damaged / tired looking. Existing finish colour ref: RAL 7037 Mid Grey.
2. Where new totems, entrance statements or lawn directional signs are to be installed, concrete foundations are to be provided. Retailer to liaise with approved signage supplier regarding requirements.
3. Existing cladding to be retained, made good as required and cleaned.
4. All bollards to be finished to match RAL 7011 Iron Grey.
5. All existing Vauxhall signage to be removed by Hawes Signs.
6. When removing red feature canopy, Retailer to discuss options for making good cladding with Hawes Signs during site survey.

Notes

This layout represents the minimum, mandatory standards for Vauxhall's current corporate identity programme. Any changes must be discussed and agreed with the Retailer and Vauxhall. The position of all external signage needs to be installed as indicated on this drawing, subject to a signage survey carried out by approved signage manufacturer & installer. Any issues regarding installation and layout must be communicated to Vauxhall.

All signage elements are supplied by Vauxhall's approved signage manufacturer, Retailer to liaise directly with manufacturer for installation requirements.

All Building and site finishes to comply with Vauxhall CI specifications.

Architectural plans referred to in order to produce this drawing may not have been up to date. As a result this drawing must be used for reference purposes only. Do not scale off this drawing, the architect or contractor appointed to complete works is responsible for checking all dimensions and querying any discrepancies.

The content of this drawing is design intent only and has not been checked against current approved documents of the statutory Building Regulations, the Equality Act, BS 8300 and has not been surveyed for asbestos or where required, submitted for town planning approval.

This drawing has been prepared by Bisset Adams on behalf of Vauxhall.
