Dear Pastor Taylor,

In reply to your second letter and as a result of our conversation I am pleased to confirm what we have agreed.

You may have use of the school car park on the occasions you need it under the following terms:

You will be charged in line with our current letting policy which presently stands at £25.00 for the 1st hour and £20.00 per hour afterwards. This helps us cover insurance costs etc. We will only charge for the 1st hour even if you need to use it for longer periods.

The key for the gate will be picked up during school hours and returned during school hours when school returns.

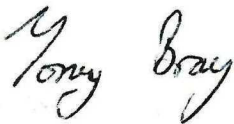

You will be responsible for ensuring that no one other than your congregation uses the car park, as I suspect that others may try.

You offered to supply references from a variety of people from Ayscoughfee Hall School, in the present circumstances this will not be required.

I hope that this arrangement helps you in your quest for new premises, and wish you well in this venture.

If you require further assistance please ask.

Yours sincerely

Tony Bray
