Parking Proposal in Support of Change Of Use Application on No.1 Woolram Wygate, Spalding, Lincs. PE11 1NU / Ref: H16-0437-15

Dear Jon

In seeking to address the concerns that you have raised in your report South Holland Community Church propose to do the following:

Parking on Evenings and Weekends

Every time we have any meetings we will always have someone on car park duty to make sure that all the off road parking around the building (approx.16 spaces), and also at the Tulip Dental Practice car park opposite (8 spaces), is accessed first, before any on road parking is considered. We also have the additional back up of the St. Norbert's School car park (approx. 20 spaces) on an as and when needed basis. As we are anticipating that the meeting hall will only hold approximately a maximum of 100 people we think that this arrangement should be more than adequate, particularly as many of the congregation live local to the area and will be cycling or walking. For those who live further afield we will actively encourage car sharing in order to keep vehicles to a minimum.

Parking midweek during Term Time

Once again every time we have any meetings we will always have someone on car park duty to make sure that all the off road parking around the building is accessed first, before any on road parking is considered. The activities envisaged during the day midweek are Parent and Toddler Groups and Seniors Drop Ins. Although it is not possible to say exactly how many adults and children will be attending these events it is anticipated that in both cases the numbers will be relatively small and that the majority of those participating will be from the immediate locality and arriving on foot. In respect of the traffic generated by the two local primary schools, we are happy to agree to not have any community based activities taking place in the building during term time before 9.30am in the morning and also between the hours of 2.30pm and 4pm in the afternoon.

Please let me know if you require any further information or any clarification of any points raised in this proposal.

Thank you.

Yours sincerely

Pastor Kevin Taylor
