Application	H16-0464-17
Location	GOODFELLOWS 9 SPALDING COMMON SPALDING PE11 3AS
Proposal	Details of Contamination Report (Condition 3 of H16-1178-16)

Name	Noise and Contaminated Land
Address	Environmental Health Technician Safety and Environment

Date Submitted	08-06-17
For/Against	Comments

The Phase II Geo-Environmental Assessment by EPS Reference UK17.2582b dated 9th May 2017 satisfies parts 2 and 3 of the contaminated land condition. I await part 4 of the condition (validation report) which will evidence that the recommendations in the report have been carried out.
