Proposal Proposed cattery for up to 30 cats and small pets for boarding only.

Name Heather Lawson
Address Licensing Officer

Date Submitted 31-05-17
For/Against Comments

Please note that in order to operate the business of running a Cattery Mr Wright will need to apply for an Animal Boarding Establishments Licence and the cattery will need to comply with the animal boarding conditions and undergo a licensing inspection in order to obtain a licence. Further information can be found by contacting the Licensing Team.
