Mr Karl Bolland 28 Pinchbeck Road Spalding PE11 1QD Tel: [redacted] E-mail: [redacted]	Tel: E-mail:	On the border of the rear gardens of 28 and 30 Pinchbeck Road PE11 1QD. I have spoken to 30 Pinchbeck Road, consent has been given to submit application.

I give six weeks' notice that I intend to carry out the work that I have described below to tree(s) that are not covered by a Tree Preservation Order but situated within a

Conservation Area. Please give the name of the Conservation Area here: - Spalding Conservation Area.....

Please draw a sketch plan to show the location of the tree(s), either on the back of this form or on a separate sheet, then tell us...

Species of Tree	Tree ref. number or position on site	Details of the work you propose	Why you think this work is necessary	Proposed replacement tree(s)*
Weeping Willow	Rear of Garden	Removal of Tree	The tree is leaning over our garden and is now pushing on the fence. The lean has got worse quickly over the last couple of years and we are concerned the tree may fall down into garden. This is of particular concern due to having young children who regularly play in the garden.	

(Separate sheets can be attached if more room is needed)

* If you want to cut down a tree we will usually require you to replace it. Normally we will ask you to plant a young tree (at least 1.5 metres high) of the same species that you have cut down, as near to where the original tree was located as is practicable. Sometimes a comparable species may be allowed instead of the same species. Please give details of the tree(s) you would like to plant as a replacement.
