# PALLAS SYSTEM

## *Welded Mesh Panel Fence*

***Strong and resilient fence system resistant to general vandalism***

***Available in a wide range of colours or galvanised finish***

***Secured using the unique Hexaclip fixing system***

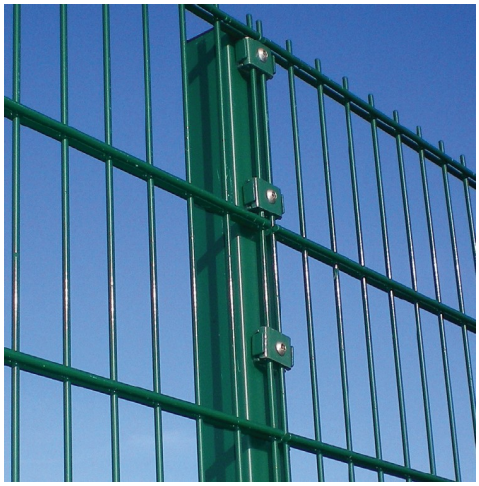

## SPECIFICATION

Pallas panels are manufactured using 6.0mm vertical wires and twin 8.0mm horizontal wires which result in a very strong and exceptionally stable fence.
The mesh is 50x200mm, fully welded at every intersection. Pallas gives the option of installing the barbed edge at the top of the fence or at the bottom. The width of the Pallas panels suits post centres of approximately 2500mm and the following heights are available as standard:-

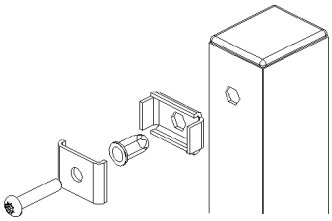

| Type | Panel Height (metres) | No. Clips per Post |
|---|---|---|
| Pallas 100 | 1.03 | 5 |
| Pallas 120 | 1.23 | 6 |
| Pallas 180 | 1.83 | 7 |
| Pallas 200 | 2.03 | 8 |
| Pallas 240 | 2.43 | 8 |

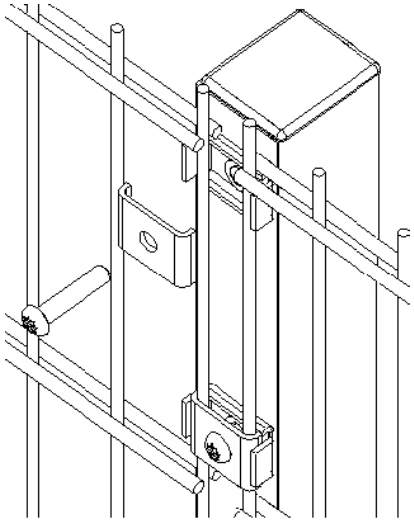

## POSTS & FIXINGS

The Hexaclip RHS posts are manufactured from 60x40mm steel section and have a unique and patented fixing method to give maximum possible resistance to vandalism and attempts to force entry. The welded mesh panels are located on the face of the post with two piece clips with 'anti-tamper' bolts. These clips firmly clamp the end vertical wires, providing an extremely secure fixing.

## GATES & FINISHES

### Standard Swing Gate Sizes and Opening to suit Pallas System

| Gate Width | Leaf Type | 90° opening | | 180° opening | |
|---|---|---|---|---|---|
| | | Between Posts | Overall Posts | Between Posts | Overall Posts |
| 1200mm | S/L | 1265mm | 1425mm | 1205mm | 1365mm |
| 3000mm | D/L | 3120mm | 3280mm | 3000mm | 3160mm |
| 4000mm | D/L | 4120mm | 4320mm | 4000mm | 4200mm |
| 5000mm | D/L | 5120mm | 5420mm | 5000mm | 5300mm |
| 6000mm | D/L | 6120mm | 6420mm | 6000mm | 6300mm |
| 7000mm | D/L | 7150mm | 7510mm | 7020mm | 7380mm |
| 8000mm | D/L | 8150mm | 8510mm | 8020mm | 8380mm |
| 9000mm | D/L | 9150mm | 9550mm | 9020mm | 9420mm |
| 10000mm | D/L | 10150mm | 10550mm | 10020mm | 10240mm |

### Gate Infill

Pallas mesh is welded into a standard gate frame for added security. Also there are a range of cantilever and tracked sliding gates available.

### Choice of Finishes

The Pallas system is available in a galvanised finish, in addition they can be colour coated in a wide choice of colours.
