Dear Sir/Madam

H16-0502-17
Proposed continued use of premises as Health and Well-Being Centre , Pennygate Foundation 204 Pennygate Spalding PE11 1LT

1. Correction – employment at the Foundation

Please note our application form incorrectly stated that present employment levels were 4 people and this would rise to 6. Please note there are no *paid employees* at the Pennygate Foundation, so I must correct this to zero employees.

The error does raise a positive point of direct relevance to employment matters:

a. The Pennygate Foundation does skills training reflecting the broad nature of their service
b. They receive referrals from the Job Centre, Framework, Ladywood house for learning difficulties/autism, Peterborough Regional College and Boston College taking on people seeking volunteer work experience

2. Consultation results

I note that the consultation period has now ended, with considerable support shown for Pennygate (24 letters of support and 3 objections). If you have any queries to enable you to reach a conclusion, please let me know.

Yours sincerely,

Gordon Smith
