4 The accommodation hereby permitted shall be and shall remain incidental to the use of the dwelling known as 33 Chaucers Way, Spalding, shall not be sold or let off separately, and shall be used only by members of the family of the occupier of that dwelling.

Reason: The Local Planning Authority consider that the proposed annexe would be inappropriate for occupation independent of the main dwelling by virtue of the substandard level of accommodation of the annexe and the physical relationship between the annexe and the main house which would create inadequate levels of residential amenity for the occupiers of both. This Condition is imposed in accordance with Policy SG17 of the South Holland Local Plan 2006.

The Local Planning Authority has acted positively and proactively in determining this application, by assessing the application against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise and subsequently determining to grant planning permission within the statutory timeframe in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
