

Architectural elevation drawing of a building facade. The drawing shows a gabled roof with a chimney on the right side. The facade includes a double door on the left, a single window in the center, and a larger window on the right. A red stamp in the upper right corner reads "DETERMINED PLAN". Handwritten notes in the lower left corner read "WITH DRITHELM" and "BLOCKS". A handwritten note in the lower center reads "FACING BRICKS TO MATCH EXISTING" with an arrow pointing to the brickwork on the right side of the facade.
