3. Description of the Proposal

Please describe the proposed development including any change of use:

We are applying for change of use of a part of our residence - the former courtroom and adjacent room - to D2 classification (assembly and leisure). Included in this proposal is also a restroom. This is with the intention of applying for the premises to be approved as a venue for civil marriages and partnerships. Due to the historical significance of the building and incredible architecture of the place, we would like to make the former court room available to the public as a venue. Our research and feedback suggest that Spalding is lacking a venue of similar grandeur and it would benefit the local community.

Has the building, work or change of use already started? ☐ Yes ☒ No
