For/Against	Objections

We wish to object to the specific proposal for an internally illuminated sign. We will be lodging a separate response to the related application made under H16-0518-25.

The site is within the Spalding conservation area, and as such the proposal falls under Schedule 3, Part 1, Class 4A, paragraph 1 the Town and Country Planning (Control of Advertisements) (England) Regulations 2007
https://www.legislation.gov.uk/uksi/2007/783/schedule/3/part/1/made

This specifically states that internally illuminated advertising is not permitted within a conservation area.

Therefore, we would ask that this application is refused and that the applicant be requested to submit an amended application that can be considered when the application H16-0518-25 is considered.
