This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued.
The General Contractor is to check all dimensions on site and report any discrepancies to the Architect.
All details shown on this drawing including dimensions are based upon typical site conditions related to the area. No responsibility can be accepted for any variations which may be discovered during construction or for any errors or omissions in this drawing. Any such variations may be questioned. We will not pay any amounts included in respect of foundations to specialist site investigation before foundation work is undertaken.
