Message:

Dave
Following Stewart Squires comments regarding our listed building application (Ref: H16/0570/03) for the internal alterations to the above site, we now write to confirm the following points:

1. We agree to provide record plans and photographs of the store building to the rear of the site, but would ask that this be carried out after the completion of current building works to the new hall building, to allow easier access. Could this form part of the conditions.

2. We confirm that the original external door, to the Reading room will now be retained. The drawings have been amended to reflect this, and we will send hard copy directly.

3. We note the required details to the two new openings and ask that these be made conditions to the permission

I trust this clarifies outstanding issues, and look forward to receiving a decision. Please call if you require further information

Regards
Mark Smith
